Rita Greer : The Soft Diet: For Chewing and Swallowing Difficulties before purchasing it in order to gage whether or not it would be worth my time, and all praised The Soft Diet: For Chewing and Swallowing Difficulties:

The Soft Diet offers groundbreaking ideas and exciting recipes for anyone with problems chewing or swallowing. These recipes are based on providing proper nutrition, with vegetables and fruit, salads, bread and cakes, cereals, cheese, fish and meat, poultry, and eggs. Based on the author's decades of practical experience, not only as a health writer but also in the food industry, it is a carerrrsquo;s bible, as useful for those caring for someone at home as well as for caterers in hospitals and care homes. Includes dual measures.

About the AuthorRita Greer has written more than 30 books, including Easy Gluten-Free Cooking and Easy Wheat, Milk and Egg Free Cooking.
