**John Francis Churchill : The Stoechiological Cure of Consumption and Diseases of the Respiratory Organs: From Letters to a Patient (Classic Reprint)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Stoechiological Cure of Consumption and Diseases of the Respiratory Organs: From

## Letters to a Patient (Classic Reprint):

Excerpt from The Stoechiological Cure of Consumption and Diseases of the Respiratory Organs: From Letters to a Patient Since the publication of the first edition of my book, entitled Letters to a Patient on Consumption, the public has been startled and thrown off its mental balance by the announcement that Dr. Koch, the discoverer of the bacillus of tubercle, had likewise succeeded in finding its antidote. For many months the almost daily account of the experiments upon patients by Dr. Koch or his assistants, kept not only the public but the whole scientific and medical world in a fever of expectation and hope. Patients and physicians rushed from all parts in hundreds to-berlin. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
