**From Brand: Lippincott Williams n Wilkins : The Textbook of Emergency Cardiovascular Care and CPR** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Textbook of Emergency Cardiovascular Care and CPR:

With an editorial team of leading experts from the American College of Emergency Physicians and the American Heart Association, this book is the first complete, clinically oriented reference textbook in emergency cardiovascular care and CPR. The book translates bench research to the clinician's bedside needs and addresses end-of-life issues. The content is appropriate for a large audience including early caregivers, emergency department and CCU nurses, students, residents, fellows, and hospitalists responsible for cardiovascular emergency situations. A companion

Website will include the fully searchable text, instructional videos produced by the AHA, and links to ACC, AHA, ASE, ACEP, and ILCOR guidelines and policy statements.
