HPro, Inc., Mary J. Hoppa MD MBA CMSL : The Top 40 Medical Staff Policies and Procedures, Fourth Edition: Solutions from The Greeley Medical Staff Institute before purchasing it in order to gage whether or not it would be worth my time, and all praised The Top 40 Medical Staff Policies and Procedures, Fourth Edition: Solutions from The Greeley Medical Staff Institute:

It s like having a medical staff policy expert right at your desk. Developed by trusted Greeley Company experts, the fourth edition of this concise guide will help you develop medical staff policies and procedures that comply with Joint

Commission requirements and promote current industry best practices. Don't wade through lengthy manuals and Web sites full of outdated information. Save time, effort, and expense with these samples of the most complex policies and procedures you can implement immediately for positive results at your facility. This resource will help you: Avoid sorting through multiple, confusing, and unreliable resources or search engine results to find what you need. Save the personnel, resources, and finances it takes to develop policies from scratch. Base your own policies and procedures on expertly designed, field-tested samples. Make it easier to update traditionally complex policies. Trust in reliable guidance to ensure your policies and procedures comply with Joint Commission requirements. All of the policies in this resource have been reviewed and updated to meet the latest requirements! New policies have been added to address the latest issues crucial to your medical staff operations.

About the Author Mary J. Hoppa, MD, MBA, CMSL, serves as a senior physician consultant with The Greeley Company, a division of HCPro, Inc. Hoppa draws on 15 years of experience in hospital administration and medical staff leadership in academic and community hospital settings to assist physicians and medical centers in developing effective solutions to their most significant challenges.
