Bruce Sangeorzan : The Traumatized Foot (American Academy of Orthopaedic Surgeons Monograph Ser) (New Canadian Criticism Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Traumatized Foot (American Academy of Orthopaedic Surgeons Monograph Ser) (New Canadian Criticism Series):

Univ. of Washington, Seattle. Describes the approach and treatment options for high-energy injuries to the hindfoot

and midfoot. Halftone illustrations. Softcover.
