From Brand: Sheed n Ward : Three Realms of Managed Care: Societal, Institutional, Individual before purchasing it in order to gauge whether or not it would be worth my time, and all praised Three Realms of Managed Care: Societal, Institutional, Individual:

Glaser and Hamel offer readers an opportunity to step back from the ethical issues connected with modern health care and reflect on what we are doing, how we are doing it, and what impact our actions (and omissions) are having on the common good. While offering a new ethical paradigm that takes into account the three realms of ethical complexity (societal issues, institutional issues, and individual issues), this book offers articles for reflection and self-examination on various aspects of managed care, taking into account specific issues such as rationing, financial incentives, and full

disclosure.
