**J. Kirk Brown : Title: Biotechnology** before purchasing it in order to gage whether or not it would be worth my time, and all praised Title: Biotechnology:

0 of 0 people found the following review helpful. This is an excellent textbook, because it explains the Biotechnology topicsBy CustomerI'm a Biotechnology TeacherBy I've been using this textbook with my students for the past 4 years. This is an excellent textbook, because it explains the Biotechnology topics, concepts, and labs in detail. In addition, the vocabulary is appropriate for high school students.2 of 2 people found the following review helpful. It is great graphics illustrate the hand on activities and step by ...By Carissa MeyerIt is great graphics illustrate the hand on activities and step by step protocols! That was helpful! I love this book!
