From Jossey-Bass : To Improve Health and Health Care, Volume V: The Robert Wood Johnson Foundation Anthology (Public Health/Robert Wood Johnson Foundation Anthology) before purchasing it in order to gage whether or not it would be worth my time, and all praised To Improve Health and Health Care, Volume V: The Robert

Since 1972, The Robert Wood Johnson Foundation has been the nation's largest philanthropy devoted exclusively to health. To further its mission of improving the health and health care of all Americans, it provides funds for demonstration projects, educational and communications activities, training, policy analysis, and research. As part of the Foundation's efforts to inform the public, *To Improve Health and Health Care*, the fifth volume in The Robert Wood Johnson Foundation Anthology series, provides an in-depth look into the programs it funds. Written for policy makers and practitioners as well as interested members of the public, the series offers useful lessons for leaders and educators developing plans for the coming years. This volume includes chapters on: * The Nurse Home Visitation Program * Strategies to treat tuberculosis * Health of Native Americans * Service credit banking * Consumer choice in long-term care * The Health Policy Fellowships Program * Recovery High School * On Doctoring, an anthology of literature and medicine AIDS * Program-related investments * The Robert Wood Johnson Foundation's grantmaking in New Jersey

"The book succeeds well in what it sets out to do..." (Doody's , September 2002)From the Inside FlapSince 1972, The Robert Wood Johnson Foundation has been the nation's largest philanthropy devoted exclusively to health. To further its mission of improving the health and health care of all Americans, it provides funds for demonstration projects, educational and communications activities, training, policy analysis, and research. As part of the Foundation's efforts to inform the public, *To Improve Health and Health Care*, the fifth volume in The Robert Wood Johnson Foundation Anthology series, provides an in-depth look into the programs it funds. Written for policy makers and practitioners as well as interested members of the public, the series offers useful lessons for leaders and educators developing plans for the coming years. The cases discussed in *To Improve Health and Health Care* provide a critical analysis of the Foundation's activities and how it tackles health and health care issues. Written by the country's leading science and medical journalists, as well as experts from universities and The Robert Wood Johnson Foundation, this volume includes chapters on The Nurse Home Visitation Program Strategies to treat tuberculosis Health of Native Americans Service credit banking Consumer choice in long-term care The Health Policy Fellowships Program Recovery High School On Doctoring, an anthology of literature and medicine AIDS Program-related investments The Robert Wood Johnson Foundation's grantmaking in New Jersey About the AuthorStephen L. Isaacs is president of Health Policy Associates, San Francisco, California. James R. Knickman is vice president for research and evaluation at The Robert Wood Johnson Foundation, Princeton, New Jersey.
