Robert Chernomas, Ian Hudson : To Live and Die in America: Class, Power, Health and Healthcare (The Future of World Capitalism) before purchasing it in order to gage whether or not it would be worth my time, and all

praised *To Live and Die in America: Class, Power, Health and Healthcare (The Future of World Capitalism)*:

"This book should become a classic. It should be read by everyone who feels that power in the United States is very unevenly distributed, not only by gender and race, but primarily by class." ndash; Vicente Navarro, Professor of Health and Public Policy, Editor in Chief of the *Journal of International Health Services*
