Gary Katz : Top Clinical Problems before purchasing it in order to gage whether or not it would be worth my time, and all praised Top Clinical Problems:

0 of 0 people found the following review helpful. Five StarsBy JamesThis iS A MUST ! For the E R0 of 0 people found the following review helpful. Not good in ScandinaviaBy Peter Tagmose ThomsenNot amazing for students outside the US - my review is only based on the usability of the book in Scandinavian medical practise0 of 0 people found the following review helpful. Five StarsBy M. Filiatraultgreat to keep in pocket!

A new and improved pocket reference and quiz tool. Each chapter starts with critical actions and then logically expands with disease-specific information. The design simulates the format of an emergency medicine oral or written board exam. Table of Contents (Chapter Headings): Airway Management Anaphylaxis Cardiology Critical Care Endocrine Emergencies ED Administration Electrolyte Disorders Gastrointestinal Infectious Disease Neurology Obstetrics and Gynecology Opthamology Emergencies Orthopedic Emergencies Pediatrics Pulmonary Radiology Sedation Thermal Burns Toxicology Ultrasound Vascular Emergencies *Also includes an inside-cover list of Emergency Dosages for extra-quick reference and a page for notes in the back.
