ASHCSP (American Society for Healthcare Central Services Professionals) : Training Manual for Health Care Central Service Technicians before purchasing it in order to gauge whether or not it would be worth my time, and all praised Training Manual for Health Care Central Service Technicians:

3 of 3 people found the following review helpful. Five Stars By Ronna Neal AA1 of 2 people found the following review helpful. Nice text. By real fussy Great review text. It was in much better condition that I had anticipated.....more like new than very good. 6 of 8 people found the following review helpful. cs tech training manual By mitziann I am a CS Manager and I have implemented a program to get all of my tech certified and this book has helped in review and also with training of new staff.

The Training Manual is the premier reference and review publication for individuals preparing for examinations given by The Certification Board for Sterile Processing and Distribution. It is a concise, applicable tool that can be used for

orientation, training, and instructional programs in health care facilities and in institutions for learning. The Fifth Edition of the manual is the largest and most comprehensive to date.
