Umiker's Management SkillsBy JaneI ordered this book as a used/good condition book and was pleasantly surprised when it came and was what I would call gently used, better than I expected. It arrived on time and in very nice condition. Very happy with my purchase, the only thing that could have made it better is if it came with someone to do my homework too!0 of 0 people found the following review helpful. Three StarsBy Cinnabunananother fancy book for a class that we didn't really use.3 of 3 people found the following review helpful. splendidBy Raymond V. WirlenUmiker's Management Skills for the New Health Care SupervisorThis is a wonderful book that takes the reader in a step by step approach in understanding what it takes to be a supervisor or a manger in a health care system.It shows you how to deal with the different scenarios and challenges.

Intended for health care workers who aspire to supervisory positions, this textbook describes techniques and skills for leading people, building teamwork, training new employees, dealing with conflict and negative attitudes, controlling costs, developing employees, communicating effectively, and managing time. The fourth edition adds exercises and
