I used this book to supplement the professor's lectures for my CPT coding class. Got an A :)0 of 1 people found the following review helpful. ... and received one that was not sealed and looked like it was usedBy diana kI paid for a "new" book and received one that was not sealed and looked like it was used.0 of 1 people found the following review helpful. Four StarsBy CustomerGreat

Choose the most trusted source available to help you master current CPT-4 diagnostic and procedural coding as well as other strict guidelines established by federal agencies, Medicare, and the American Medical Association. UNDERSTANDING PROCEDURAL CODING: A WORKTEXT, 5E uses carefully illustrated procedures, new case studies, practical coding assignments, and engaging examples to help you perfect procedural coding for all medical specialties and prepare for certification exams. You record answers in the book, creating a personalized, ongoing resource that you will use well into your career. Used on its own or as the ideal companion for CPT and HCPCS Level II manuals, this book presents extensive hands-on practice, new online study tools, and access to Optum's popular EncoderPro. Prepare for procedural coding success with UNDERSTANDING PROCEDURAL CODING: A WORKTEXT, 5E.

About the Author Mary Jo Bowie is the owner of Health Information Professional Services in Binghamton, New York, which has provided medical record consultative services for various health facilities for more than 25 years. She served as an instructor in Health Information Technology Programs for more than 20 years, teaching such courses as Inpatient Coding, Ambulatory Care Coding, Quality Assurance, Survey of Healthcare, and Computers in Healthcare. Ms. Bowie is now the Health Information Management and Medical Coding program director at Mount Wachusett Community College and an associate professor. She develops all course content within the curriculum, including ICD-10-CM/PCS courses, CPT/HCPCS courses, and introductory and advanced health data courses. Ms. Bowie is a registered Health Information Administrator and an accredited Health Information Technician. She is an active member of the American Health Information Management Association (AHIMA) and is also an AHIMA ICD-10-CM/PCS-approved Train the Trainer. She served on the New York State Health Information Association Board of Directors from 1989 to 1991 and was education director and on the Ambulatory Coding Guideline Committee. Ms. Bowie was the New York State nominee for the National Award for Literacy Contribution to Profession, 1993 and 1994. She is a National and Regional speaker on ICD-9-CM, CPT and ICD-10-CM and ICD-10-PCS, as well as a trusted course writer for Cengage Learning. Ms. Bowie holds an Associate of Arts degree, Bachelor of Science degree and Master of Science degree. She has conducted more than 50 national training seminars on ICD-10-CM/PCS coding.
