Bought one used. The content in this book is really helpful and makes budgeting very easy. The examples help to simplify what can be a challenging process for some.0 of 0 people found the following review helpful. Four StarsBy Deborah Flintonly needed for a little good refrence material

A plain-English guide to health care budgeting simplifies even the most complex money matters for finance pros or beginners. Brimming with real-world examples, spreadsheets, charts, and tables, this refreshing resource provides quick and clear guidance on all hospital spending issues from the most basic to the very sophisticated. It is an enormously helpful reference to help control spending, increase mastery of key budget concepts, strengthen the foundations of operational planning, and speed up problem solving.
