Clifford W. Brooks OD : Understanding Lens Surfacing, 1e before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Lens Surfacing, 1e:

0 of 0 people found the following review helpful. Five StarsBy Don GilmanIf it's not in there you don't need it.

Understanding Lens Surfacing covers both theory and clinical application of ophthalmic lens surfacing from start to finish. Both students and educators will find the text easy to read and well organized: lens surfacing techniques are explained, demonstrated through clearly conveyed examples, and summarized in step-by-step tables.
