From Piel Anthony : Understanding the Global Dimensions of Health before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding the Global Dimensions of Health:

-The editor and his contributors are prestigious in the global health community, many holding positions as affiliated with the World Health Organization. Also, Gunn is a head of the Society for Humanitarian Medicine. -Will appeal as a high level policy book in public health and health courses.

From the reviews: "This work on global health addresses what may be considered the midlevel issues hellip; . The editors can be commended for inviting a truly nationally diverse group of authors hellip; who identify the successes, challenges, and next steps in their areas of expertise in global health. hellip; The book will challenge both novice and expert in their thinking about global health and the methods to achieve results." (Health Promotion Practice, January 2008)
