Karen Munson Ringsrud BS MT(ASCP), Jean Jorgenson Linne BS MT(ASCP) : Urinalysis and Body Fluids: A Colortext and Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Urinalysis and Body Fluids: A Colortext and Atlas:

0 of 0 people found the following review helpful. Five Stars By Denise Gale Perfect condition and excellent price!
0 of 0 people found the following review helpful. Wrong Item shipped. By Dywlf You should really look over your order carefully, The book I ordered was listed as a spiral bound version, but was shipped a paperback version instead.
7 of 7 people found the following review helpful. excellent resource By sharon Kase This is indeed a book any urine dept should have on the reference shelf. The atlas is outstanding and the text is extremely informative and educational.

This urinalysis text gives instruction on the analysis of urine and other body fluids. It covers clinical laboratory procedure, safety and quality assurance. Case studies and self-assessment questions are presented, as well as a colour atlas of slide preparations commonly encountered in analysis.
