**Gregory Fernandez : USMLE STEP 2 CK Epidemiology In Your Pocket: Epidemiology (USMLE STEP 2 CK In Your Pocket) (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised USMLE STEP 2 CK Epidemiology In Your Pocket: Epidemiology (USMLE STEP 2 CK In Your Pocket) (Volume 1):

0 of 1 people found the following review helpful. Not a must haveBy fitEThis book is cute and I added my own notes. Since I spent \$13, I have to use it. At this point, I can say, this little book doesn't deserve \$13 but \$8 or less. Other than few grammar and spelling errors, I didn't find any concept error and I have a masters in MPH Methodology. I was curious and the reason I bought it. I like his "Best of Luck on your exams", message...;)0 of 1 people found the following review helpful. i didnt like this book at allBy Customernothing advance was in it.. i didnt like this book at all. total waste of money0 of 0 people found the following review helpful. Five StarsBy whateverHighly recommend to study! Great book!

In Your Pocket, is a high yield rapid review book designed to master each individual section of the USMLE examination. This book series is subject based and allows you to focus on the epidemiology/biostatistics section of the USMLE. This book also includes preventive medicine and ethics. The book will provide you with the most detailed information with a step-by-step systematic approach for the epidemiology section. We can guarantee your preparation with In Your Pocket.
