Dr. Jacob Ray : Vaporizing Medical Marijuana: VOLUME 420 before purchasing it in order to gage whether or not it would be worth my time, and all praised Vaporizing Medical Marijuana: VOLUME 420:

1 of 1 people found the following review helpful. it is nice to know the different options of useBy CustomerNow that marijuana is about to become legal, it is nice to know the different options of use. This book explains one of the methods of using marijuana, the tools and methods involved. I would have given it a higher rating except I found much of the specific device information is out of date. Otherwise this is an excellent resource.13 of 15 people found the following review helpful. A lot of dribbleBy Mark S ShoueyThere was no real information and it completely

repeats itself . even with the repeating the real amazing part was how he could write so much and say so little.I am usually not one to write these I had to so maybe people seeking real information can save their hard earned dollars to put towards something of value.
