Merrill D. Bowan, Sharon Berger, Karin Hessellund, Je Nutto, Marlo Payne Rice : Vision Sensory Integration
before purchasing it in order to gage whether or not it would be worth my time, and all praised Vision Sensory
Integration:

A multi-authored volume of articles discussing new brain and rehabilitation research, the sensory integration and vision correction in child development, occupational therapy's role and more. Contains over 30 pages of activities with emphasis on what senses are called upon and how the patient uses vision to reinforce and take the place of other senses.
