Moya L. Andrews : Voice Therapy for Children: The Elementary Years (Elementary School Years) before purchasing it in order to gage whether or not it would be worth my time, and all praised Voice Therapy for Children: The Elementary Years (Elementary School Years):

0 of 0 people found the following review helpful. I expected it to be less old and used with ...By LindaI expected it to be less old and used with a lot of writing inside but I guess that's what you get for buying used things...I won't be buying anything used again.0 of 1 people found the following review helpful. I love itBy eladeverything was OK

Book by Andrews, Moya L.

About the AuthorMoya L. Andrews Ed.D. is a Professor of Speech and Hearing Sciences and Vice Chancellor for Academic Affairs and Dean of the Faculties at Indiana University, Bloomington. Dr. Andrews was born in Australia and received her bachelor's degree from the University of Queensland in Brisbane. Her master's degree is from the University of California at Santa Barbara, and her doctorate is from Teacher's College, Columbia University, New York City. She is certified, licensed speech-language pathologist and a Fellow of the American Speech-Language-Hearing Association and of the Society of Ear, Nose, and Throat Advances in Children. She has worked in schools, clinics, and hospitals in Austrailia, Great Britain, and the United States and is a popular presenter of seminars here and

abroad. Her publications include numerous research journal articles, therapy protocols, and *Manual of Voice Treatment: Pediatrics Through Geriatrics, 2E*, published by Singular Thomson Learning. She has received the Outstanding Clinician Award from the Indiana Speech-Language-Hearing Association, and the Distinguished Scholar Award from Indiana University's Office of Women's Affairs in Bloomington. She serves on the editorial board of the *Journal of Voice*.
