Speechmark : What's Wrong? (Colorcards) before purchasing it in order to gauge whether or not it would be worth my time, and all praised What's Wrong? (Colorcards):

This title features 48 cards which develop perceptual skills. Each image in this collection of 48 photographic cards shows something wrong, either as it is happening or when it is about to happen. It is lively and humorous. These images are highly motivating to students of all ages and abilities. Images include adults and children in a variety of situations such as with an upside down television, making sandwiches with photographs and playing golf with an

umbrella. Use these cards to heighten: attention skills; observation; vocabulary building; expressive language; storytelling; logical thought; and, problem solving.

About the Author Produced by Speechmark, ColorCards(R) are a hugely adaptable teaching tool designed to help develop both language and social skills. Real objects, people, situations and activities are shown on the photographs to provide you with creative and highly visual resources.
