Margaret M. Hynes : WHO CARES FOR POOR: Physicians, Medicaid, and Marginality (Health Care Policy in the United States) before purchasing it in order to gage whether or not it would be worth my time, and all praised WHO CARES FOR POOR: Physicians, Medicaid, and Marginality (Health Care Policy in the United States):

First published in 1998. Routledge is an imprint of Taylor Francis, an informa company.

"Examines one component of access to health care- the variable related to physical participation in the federal Medicaid program and develops a theoretical framework in which to understand its significance."-Abstracts of Public Administration, Development, and Environment
