Padmini Murthy, Clyde Lanford Smith : Women's Global Health And Human Rights before purchasing it in order to gage whether or not it would be worth my time, and all praised Women's Global Health And Human Rights:

0 of 0 people found the following review helpful. Good for Men and WomenBy Karen E. JohnsonThis was a book purchased for my son while attending UTD working on his Bachelors / Masters in Early Childhood Development and Childhood Disorders. He make use of them together working in the field he received his degree in. As his mother, I wanted to make sure he understood women's issues so I enrolled him in a Women's class as an elective.0 of 0 people found the following review helpful. Best read ever!!By colleen hekemianBest most informative book I have ever read.1 of 1 people found the following review helpful. Great BookBy ckr0615This is an excellent book. The chapters are very informative and give great real-life examples. This book is easy to understand. Dr. Murthy is my professor and advisor. She is a great and knowledgeable person.

Women's Global Health and Human Rights serves as an overview of the challenges faced by women in different

regions of the world. Ideal as a tool for both professionals and students, this book discusses the similarities and differences in health and human rights challenges that are faced by women globally. Best practices and success stories are also included in this timely and important text. Major Topics include: X Globalization X Gender Based Terrorism and Violence X Cultural Practices X Health Problems X Progress and Challenges
