1 of 1 people found the following review helpful. Sellers taking people money.....By Dana LeeI would never buy anything from the seller ayvax. I paid for text book and work book and only got the text book i had to buy the work book again . The book is really good and alot of needed info.happy with the book not the seller.0 of 0 people found the following review helpful. Five StarsBy sunshineI had no problem reading it from my iPad/iphone. I used it during my

CNA course and passed!0 of 0 people found the following review helpful. Good.By CustomerWas needed for class. The explanations and layout are top notch.

This comprehensive chapter-by-chapter companion to the textbook includes a wide variety of exercises to enhance learning and hold students' interest. Checklists for the textbook procedures allow for instructor or self-evaluation. Additional Learning Activities provide exercises that go beyond the textbook. New to this edition is a Competency Evaluation Review. Includes a variety of exercises to enhance learning. Checklists for the textbook procedures allow for instructor or self-evaluation.
