Medical Office Simulation Software (MOSS) 2.0.

About the Author Ms. Correa is the former Allied Health Educational Coordinator at City University of New York at Queens College. Responsible creating and developing curricula for several Queens College Allied Health certificate programs, including Medical Assistant, she now develops satellite courses for adult education programs. Her clinical experience extends to both private practice and administrative hospital work in oncology, cardiovascular surgery, pulmonology, and thoracic surgery. Ms. Correa also works on technical writing and software development projects, and serves on advisory boards for technical colleges in her home state of Colorado.
