**Michelle A. Green, Jo Ann C. Rowell : Workbook for Greenrsquo;s Understanding Health Insurance: A Guide to Billing and Reimbursement** before purchasing it in order to gage whether or not it would be worth my time, and all praised Workbook for Greenrsquo;s Understanding Health Insurance: A Guide to Billing and Reimbursement:

1 of 1 people found the following review helpful. NO USEBy madame bulletthe seller was great (no issues there) while the book isn't out of print this version is no longer being used, especially not with the advent of obama-care. It's only useful for VERY BASIC information (if that). Don't waste your money2 of 2 people found the following review helpful. littleBy JanelleI dont remember if i had read if there was some writing in this book but pretty much the entire workbook is written in and it was little upsetting but maybe it will help me out in the long run...1 of 1 people found the

following review helpful. A Better Understanding!By strongandmeanHealth Insurance brought my lack of information to a better understanding, on how medical insurances work for our against an individual depending on what your needs are.

The student workbook is design to help the user retain key chapter content. Included within this resource are chapter objective questions, key term definition queries, multiple choice, fill in the blank and true or false problems.

About the AuthorMichelle A. Green is a SUNY Distinguished Teaching Professor in the Physical and Life Sciences Department of the College of Technology at Alfred State College. An active member of the American Academy of Professional Coders (AAPC) and American Health Information Management Association (AHIMA), Ms. Green has been recognized for both teaching and for her significant contributions to the Health Information Management profession. She has earned numerous awards, including the State University of New York Chancellor's Award for Excellence in Teaching, Alfred State College's Alumni Association Teacher of the Year, Who's Who Among America's Teachers, and the FORE Triumph Educator Award from the AHIMA. Ms. Green is a Registered Health Information Administrator (RHIA), a Fellow of the American Health Information Management Association (FAHIMA), and a Certified Procedural Coder (CPC). She earned a BS from Daemen College and an MPS degree from Alfred University. Ms. Green has authored ESSENTIALS OF HEALTH INFORMATION MANAGEMENT in addition to this book. Founder and Former Chairperson, Medical Assisting Department Anne Arundel Community College, Arnold, MD
