Price way more reasonable.0 of 0 people found the following review helpful. ExcellentBy CarmenEasy to understand, All topics are in line or well organized. Fully satisfied. In line with Model Curriculum from CA DHS.0 of 0 people found the following review helpful. Great nursing assistant care workbookBy Lana E. Ecker-NeringI needed to buy this workbook for my Nursing Assistant class. This workbook was an excellent companion to the textbook.

Designed to help students review what they have learned from reading the textbook, the workbook is organized around Learning Objectives, which work like a built-in study guide. Multiple choice, true/false, crosswords, word searches, critical thinking scenarios, and other activities test the student's knowledge of each chapter. The workbook answer keys are not shipped with the workbooks; they are only available to verified instructors.
