This competency-based supplement includes critical thinking questions, multiple choice questions similar to those

seen in the state certification examination, and challenging items such as word games, puzzles, and exercises to help students understand essential content and master defining and spelling key terms.

About the Author  
Barbara Hegner, MS, RN Former Professor Emeritus Nursing and Life Science Long Beach City College, CA.  
Barbara Acello has worked in long-term care for more than four decades. Currently a nurse consultant and educator, she owns a school for nursing assistants, where she helped to write and develop mandatory state curricula for nurse aides and EMTs. She has also written and contributed to dozens of textbooks, instructor guides, quick reference guides, and supplemental instructional materials for health care personnel. Formerly a practicing nurse, Ms. Acello was also a director of nursing and a long-term care facility consultant. Her interests and expertise include clinical geriatrics, resident safety, pain assessment and management, restraints, pressure ulcers, and infection control. She is particularly committed to improving working conditions, education, and professionalism for personnel in the long-term care industry.  
Esther Caldwell, MA, PhD, is a Consultant in Vocational Education.
