J. M. Cairo, Susan P. Pilbeam, Sindee Kalminson Karpel : Workbook for Mosby's Respiratory Care Equipment, 8e before purchasing it in order to gage whether or not it would be worth my time, and all praised Workbook for Mosby's Respiratory Care Equipment, 8e:

0 of 0 people found the following review helpful. ONE OF THE BESTBy Bernadette M.AWESOME book INDEED very informative and easy to understand. Respiratory Therapist and ALL medical staff of ANY specialty are HIGHLY valued and appreciated beyond what words can express. My best blessings this book and the knowledge inside of it.2 of 2 people found the following review helpful. Helped get me an ABy Alexandria galThe Mosby book is difficult. This workbook helped make it understandable. It's organized by objectives for each chapter. My instructor teaches by those objectives so it was perfect for her class. I got an A in the course and know I couldn't have done it without this workbook. Well worth the money!4 of 4 people found the following review helpful. Great reviewBy Tony MillerThis is a great workbook to complete the text book. Many helpful ways to help reinforce the subject i recommed it to be

bought with the text .

Get the most out of your study time with this new workbook for Mosbys Respiratory Care Equipment. The workbook clearly highlights the texts most essential and clinically relevant information. A variety of exercises test your level of recall, application, and analysis. Exercises include labeling, calculations, crosswords, short answer, critical thinking, and NBRC-style multiple-choice questions. Take advantage of these tools to enhance your comprehension of the text and strengthen your skills in using respiratory care equipment. Learning Objectives reinforce the basic concepts you should learn from each chapter. Key Terms Crossword Puzzles present a fun way for you to remember key terms and their definitions. Assessment Questions test your understanding of each Learning Objective. Critical thinking essay-type questions help you apply and analyze chapter content. NBRC-style multiple-choice questions serve as excellent tools for reviewing the text, and they prepare you for the NBRC exams. Exercises include activities to do outside of the classroom. Helpful Internet sites are provided in each chapter to further enhance your learning.
