**Barbara J Aehlert RN BSPA : Workbook for Paramedic Practice Today: Above and Beyond, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Workbook for Paramedic Practice Today: Above and Beyond, Vol. 1:

Designed to accompany Volume 1 of Paramedic Practice Today: Above and Beyond, this 2,219-item workbook provides practice and reinforcement of the key material covered in the textbook. Volume 1 of the workbook corresponds to the first volume of the textbook, matching the text chapter for chapter.Chapter Objectives serve as a checklist for learning.Multiple question formats include matching, short answer, multiple choice, true/false, labeling,

drug dosage calculations, and case studies, testing your knowledge in a number of different ways. Short-answer questions often show your strengths and weaknesses most accurately, because you must think of the answer entirely on your own. Multiple-choice questions prepare you for this popular testing format. Labeling questions help visual learners. Case studies help you integrate your knowledge with real-life situations. Chapter Summaries provide bulleted lists of the main points in the book and serve as a reminder of the material that was covered in Volume 1 of the text. An answer key with rationales is included for all of the items in the workbook. A glossary includes key terms from both volumes of the textbook, providing you with a comprehensive quick reference for unfamiliar words.
