Overall Very goodBy Cliff PerrenodI ordered both the text book and the work book for wife, who needs these required texts for a nursing class.She seems satisfied. The small issue with book is that the perforations on the exercise pages are not really good, making it difficult to tear out cleanly0 of 0 people found the following review helpful. Great!By ShaeloveBrand New and great price!

Test your knowledge and gain confidence in performing medical assisting procedures! Designed to support Kliegers's Saunders Essentials of Medical Assisting, 2nd Edition, this workbook matches the textbook chapter for

chapter, and provides a review of terminology and content, plus critical thinking and application exercises. Includes a helpful, all-inclusive appendix! Content review in each chapter includes a review of vocabulary, theory recall, multiple-choice questions, sentence completion, short answers, critical thinking, case studies, skill applications, and chapter quizzes. Anatomy and Physiology chapters include labeling exercises. A user-friendly appendix makes it easy to align forms or information sheets to specific procedures or chapters in the textbook. A Supplemental Chapter Materials appendix includes all procedure checklists, as well as sample forms and patient scenarios for real-world practice.
