Denise L. Lazo : Workbook to Accompany Fundamentals of Sectional Anatomy: An Imaging Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Workbook to Accompany Fundamentals of Sectional Anatomy: An Imaging Approach:

0 of 0 people found the following review helpful. Excellent CT Knowledge Testing and Image Review WorkbookBy Richard BarrI purchased this workbook for my daughter's Radiologic Technology; Sectional Anatomy College Course. The workbook was required to accompany Fundamentals of Sectional Anatomy: An Imaging Approach. The workbook includes the following exercises for each textbook chapter: extensive CT image labeling, matching, anatomy identification, and fill in the blank. The workbook also includes an appendix with answers to all the exercises in the workbook.0 of 0 people found the following review helpful. Five StarsBy Mequon MikeYeah...I passed0 of 0

people found the following review helpful. Very helpfulBy SuzieThis book was very helpful in learning cross-sectional anatomy for CT school. This workbook/text book combo was great! It really helped me pass my registry!!

Designed to accompany *Fundamentals of Sectional Anatomy: An Imaging Approach*, this powerful study guide will help you master sectional anatomy. A variety of exercises help you prepare for exams and memorize anatomy. Completion, matching, and fill in the blank exercises assess your knowledge of important concepts. Whether you are studying radiography, preparing to take the CT or MRI exams, or interested in learning more about anatomy, this workbook will help you achieve a higher level of comprehension.

About the AuthorDenise Lazo has practiced as a radiographer and mammographer at several Rhode Island and Pennsylvania hospitals. Currently a full-time faculty member of the Allied Health Department at the Community College of Rhode Island, she is an Associate Professor in the Radiography Program, as well as its Clinical Coordinator. Ms. Lazo is also Vice President of the Community College of Rhode Island's Faculty Association, and a member of the ASRT.
