Susan A. Brisky, Ruth M. Burke : Workbook to Accompany Understanding Health Insurance: A Guide to Billing and Reimbursement before purchasing it in order to gage whether or not it would be worth my time, and all praised Workbook to Accompany Understanding Health Insurance: A Guide to Billing and Reimbursement:

0 of 0 people found the following review helpful. Great Job..By Douglas H. CoadGreat Job.0 of 0 people found the following review helpful. WorkbookBy Jerry Bedford Jr.This workbook was vol 8 and should not have been listed with the current book which was vol 10. As a result I paid an extra amount of money and got the wrong book that was of no use with the current textbook. Luckily I was able to retake an assignment after explaining to my instructor the problem with the workbooks.0 of 0 people found the following review helpful. Three StarsBy GloriaGood for

The restructured chapter content of the workbook offers application-based assignments with more critical thinking components. The assignments require learners to demonstrate an understanding of the content rather than simple recall of facts. Chapter 1 provides guidelines for professional development as well as initiating a job search, with numerous resources identified. Chapters 2-17 offer an in-depth review of health insurance billing and reimbursement concepts.
