Inc. BarCharts : X-Ray Tech (Quickstudy: Academic) before purchasing it in order to gage whether or not it would be worth my time, and all praised X-Ray Tech (Quickstudy: Academic):

0 of 0 people found the following review helpful. Great quick review, I love these booklets for all reasons!! By Triciapv I purchase these for all purposes. Medical Terminology, Assisting, Nurse assisting, Anatomy, Heart, Muscular systems, it is a great quick reference guide with all the pertinent info you need, to use along side of your text book, while you are learning, to use as notes. 0 of 0 people found the following review helpful. Five Stars By Customer This thing is amazing, I don't know where I would be without it! 0 of 0 people found the following review helpful. Recommended for all radiology students By jamie This is a great tool and has been extremely helpful with my studies

X-ray tech/diagnostic radiology (DR) is tried-and-true healthcare modality, yet ever-changing technology makes it a

continually challenging field. Our comprehensive 3-panel (6-page) guide will make it all easy to understand, including the differences between DR and radiation therapy (RT). All key aspects of DR from basic radiophysics to diagnostic testing procedures are covered in-depth with up-to-date information, enhanced by useful charts and tables. Each section features The Tech Knows summary of critical points, set off graphically for easy reference.
