**Stephanie A. Maj : You Can Be Well** before purchasing it in order to gage whether or not it would be worth my time, and all praised You Can Be Well:

0 of 0 people found the following review helpful. I BELIEVE! I can be well too!By Steph M.This book was just put into my hands and I was struck by it's simplicity and clarity of vision. Finally a book that states the truth: There is NO wellness without Chiropractic! This is a how to book, how to get well in the sick society that we live in. I have been looking forward to Dr. Steph's book and I know I will be giving it to all of my patients in my clinics. Read, absorb,

take action and you (and your whole family) can be well too!0 of 0 people found the following review helpful.  
Amazing and a must-read for anyone suffering from chronic pain!By busymomAn amazing, inspirational, and  
common-sense approach to feeling better than you ever thought you could! Dr. Maj provides solutions to everyday  
living which allow you to actually FEEL BETTER and live a BETTER LIFE -- EVERYDAY!!!0 of 0 people found  
the following review helpful. Keep it SimpleBy CustomerSimplicity is a great benefit in life. I found this book to fall  
into this category. It was an easy read and very informative. I liked the simple exercises with pics!Thanks Dr. Maj!
