U.S. Department of Health And Human Services : Your Medicare Benefits before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Medicare Benefits:

The information starting on the next page explains: bull; Services and supplies covered by Original Medicare bull; Conditions and limits for coverage bull; How much you pay As you read this booklet, keep these 2 points in mind: 1. Unless otherwise noted, in 2013, you pay a yearly \$147 deductible for Part B-covered services and supplies before Medicare begins to pay its share, depending on the service or supply. 2. Depending on the service or supply, actual amounts you pay may be higher if doctors, other health care providers, or suppliers don't accept assignment.
