The Lightning of Empowerment: How to Improve Quality, Productivity, and Employee Satisfaction:

0 of 0 people found the following review helpful. StickyBy Andy T. KnotI like to give this to anyone I know in a manager-like position.It is a little silly,ButIt presents great leadership theory in a very "sticky" manner.0 of 0 people found the following review helpful. Five StarsBy LiamLove this book and philosophy. First read it in '92 been living it ever since.0 of 0 people found the following review helpful. Must Read for Teams!By Jackie LawrenceGreat book! Complex ideas presented in a whimsical way.

Most managers know that revitalization in their companies must occur from the ground up. But how to get that message to employees without applying the kind of pressure that makes them even less productive? The answer is empowerment. In this motivating book, you will find specific strategies designed to help you encourage responsibility, acknowledgment, and creativity so that employees feel they "own" their jobs. It's all here, in an accessible guide for the successful managers of tomorrow.

From the Inside FlapMost managers know that revitalization in their companies must occur from the ground up. But how to get that message to employees without applying the kind of pressure that makes them even less productive? The answer is empowerment. In this motivating book, you will find specific strategies designed to help you encourage responsibility, acknowledgment, and creativity so that employees feel they "own" their jobs. It's all here, in an accessible guide for the successful managers of tomorrow.About the AuthorWilliam C. Byham, PhD, is president and cofounder of Development Dimensions International (DDI), which specializes in aligning clients' people strategies with their business strategies.
